Dear Karthik Swaminathan, Mohammed Saad Hashmi, Alqama Shaikh, and Vikas Phalle,

We are pleased to inform you that your manuscript identified below has been accepted for **2024 4th International Conference on Robotics and Control Engineering (RobCE 2024)** to be held in Edinburgh, United Kingdom from June 27 to 29, 2024. You're welcome to attend the conference and do a presentation.

Paper ID: CE012

Paper Title: Acti-V-Link: An Active Surface, Visual Feedback Based, Mechanically Underactuated Gripper for In-Hand Manipulation

All the registered and presented papers will be included in **ACM International Conference Proceedings Series (ISBN:979-8-4007-1678-2)**, the publisher will be submitted to **Engineering Village, Scopus, Web of Science** and other databases for review and indexing after publication.

Selected papers with high quality will be recommended to publish in international journals.

Please read the following registration instruction carefully before registration. It is compulsory for all participants to send the final paper, completed registration form and payment proof to conference organizer before **May. 27, 2024**.

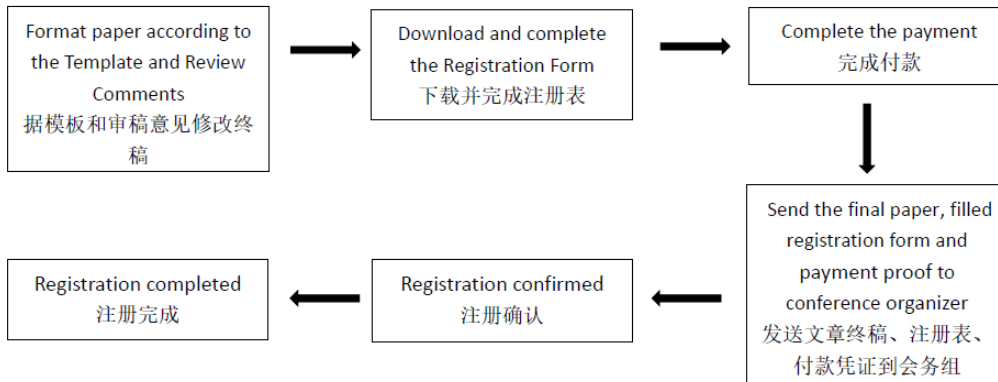

We look forward to seeing you in RobCE 2024!

Yours sincerely,
RobCE 2024 Organizing Committees
April 16, 2024

Registration Instruction

1, Registration Procedure

2, Registration Document

1), [Abstract Template; Full Paper Template](#)

2), [RobCE 2024 Registration Form](#)

3, Registration Notices

1), The registration deadline: **May. 27, 2024.**
